

X-431 O2-1 Scope Box Module Overseas configuration Packing List

Date:2020/12/10

| No. | Part category | Part name                                                                               | Quantity |
|-----|---------------|-----------------------------------------------------------------------------------------|----------|
| 1   | Main unit     | O2-1 oscilloscope module, RoHS                                                          | 1        |
| 2   | Connector     | HT201 attenuator (extended metal BNC connector)                                         | 2        |
| 3   | Test cable    | Double clamp power line (English), RoHS                                                 | 1        |
| 4   |               | HT25 secondary ignition pick-up line (long metal BNC connector, including plastic tail) | 1        |
| 5   |               | HT30 test line (long metal BNC connector, including plastic tail)                       | 4        |
| 6   |               | Needle Set (Colored 4mm Female+20 needle+2 screw head)                                  | 1        |
| 7   |               | X431 PAD4HD USB A-type to B-type cable, RoHS                                            | 1        |

| No. | Part category | Part name                                               | Quantity |
|-----|---------------|---------------------------------------------------------|----------|
| 8   | Test cable    | Four-channel oscilloscope multimeter probe head (black) | 2        |
| 9   |               | Four-channel oscilloscope multimeter probe head (red)   | 2        |
| 10  |               | Four-channel oscilloscope Crocodile Chuck (black)       | 2        |
| 11  |               | Four-channel oscilloscope Crocodile Chuck (red)         | 2        |
| 12  | Accessories   | Specification of o2-1 oscilloscope module, RoHS         | 1        |
